Number 30

Hello, Nice to Meet You!

We have had twenty or more visitors over the last three Sundays. Some have been family that has come into Daingerfield, friends from other cities, brothers and sisters from surrounding congregations, from our VBS efforts, or perhaps coming because they are in a rough spot in their lives. We have many during the summer from the Daingerfield State Park that find us on their mobile phone apps. Really, there can be several reasons someone is here, but are we noticing and taking the time to let them know we are glad that they are here, or do we find ourselves talking to the same people each week?

I remember in Brazil my close brother and friend in Christ, Josue. Sunday would be the day often that we did not get to talk together as much after worship service. Why? We were trying to meet others who may have been visiting or talking to a brother or sister that we may not of had much contact throughout the week.

"And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching."

Hebrews 10:24-25

Of course, we come together to spur one another and that means encouraging one another as much as possible, but also taking note of those who may be visiting, or if you see someone with a sad look on their face to go to them and let them know you are praying. Even among our own congregation not all members on the left side of the auditorium may know the members from the right side of the auditorium. That is why it is important we take advantage of Bible classes, Fellowship meals, Family Life Groups, our moments Singing together on Sundays, devotional moments, fellowship times, and various other moments that arise throughout the year to have contact with each other to develop even deeper relationships.

Let us make an effort as church family to introduce ourselves to a brother or sister that we may not know so well and may we all be attentive to visitors that may be here so that we may encourage them. You may be that Good Samaritan for that person on that day. It does not need to be a complicated greeting, something simple and welcoming such as this: "Welcome to Daingerfield Church of Christ this morning! God bless you. We're glad you are here this morning. I am (your name) I've not met you yet! Welcome." God bless us all, keep fired up in the Lord! Mark
