FAMILY LIFE GROUPS(JUNTOS) TOGETHER

It is great to be back and with our church family here in Daingerfield after our mission trip and time in Brazil. The theme of the mission was "JUNTOS", which means together. It truly was a blessing to share moments together as a mission team group and with all our church family in Brazil.

The brothers and sisters opened their homes, their hearts, their kitchens to us. You may have seen some photos of food while on Facebook. Food is something that brings people together and it is a joyous time of fellowship. While we were at the different houses we sang together, prayed together, and enjoyed fellowship with one another. One of the most notable things are the smiles and tears that you see at each place we had the opportunity to visit. It is great when you can see the love of God in the face of each brother and sister in Christ.

Surely when Luke wrote in Acts 2:46b "...They broke bread in their homes and ate together with glad and sincere hearts" he knew the impact of a meal together. It is more than just a meal; it is being together, talking, and with sincere hearts showing our love for one another in our actions.

We understand also that they never lost focus of the One who made this all possible. The fellowship we have with God and one another through Christ. 1 John 1:7 says "but if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus, his Son, purifies us from all sin". This coincides perfectly with Acts 2:47 when it shows the motive and reason for them meeting together with glad and sincere hearts. The verse says "praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved."

They were praising God together, and what effect did that have on the people around them? They wanted to be part of this new family. Praying that your Family Life Group meeting in different places this week can meet with glad and sincere hearts, and that you may praise God together, and that it be such an impact on those you have invited that they also will desire to serve this Almighty God we serve. We thank the Lord that we can plant and water, which we need to be doing, and the growth comes from the Lord. All Glory to God! 1 Cor. 3:6-7 "I planted, Apollos watered it, but God has been making it grow. So, neither the one who plants nor the one who waters are anything, but God only, who makes things grow." Thanks, you for opening your homes, thank you to those leading the word, thanks to those who are inviting, but all in all thank the Lord for the opportunity. God be glorified in Family Life Groups and in all moments that we have to be JUNTOS.

Keep fired up, Mark

Giving for change makes cents!

Raising money
To support CTCH!

Supporting children at the Central Texas Children's Home (CTCH) just "makes cents." Since 1969, CTCH has been helping displaced children by giving them a home, necessities and teaching them of God's love. The children are then given a chance to experience change in their lives. Wont you help us? It just makes cents!

FLG's Meet.

There is a new sign-up sheet for August-October.

As school begins, remember that you are called to be a light in the world around you.

"In the same way, let your light shine before men, that they may see your good deeds and praise your father in heaven."
