In The Meantime

"Words of Warning"

We began our study of Jesus' last significant conversation with His disciples by looking at the words of comfort He reassured them with: "Don't Be Afraid", "Trust Me", "You are Not Alone". But along with those words of *comfort* He also shared words of *warning*. I guess it is because we live in such a litigious society and companies can be sued over anything, but I have seen some of the dumbest warnings. On a lawn mower: "Warning: Do not put hand under mower when it is running". On a convenience store cup: "Warning: Contents may be hot or cold". On a chainsaw: "Warning: Hold only on handle end". Seriously!?! Do we really need these warnings? However, there are warnings that are more serious. Warnings about medications. Warnings about dangerous curves in the road. Railroad warnings. These can be not only helpful, but life saving.

Many of us can remember Norman Miller saying, "There is as much love in a warning as there is in a blessing". That is so true. Jesus knows that His friends are going to face difficult times in the days and years ahead. He knows that they will face dangers physically, emotionally and spiritually. We face those same dangers while we are, "In the meantime." Jesus began pleading with His disciples to, "Not let go". In John 15:1-8, Jesus uses the word, "remain" or "abide" at least 8 times. Just like a parent telling a child, "hold my hand", Jesus is pleading with us to not let go.

There are going to be temptations that draw us away from God. There will be activities that are not wrong in and of themselves, but pull us away from God and His church. There will be people who are not evil, yet influence us away from God. There is our society that will even condemn us for being faithful to God and His Word. And yet Jesus says, "remain in me".

At times it may seem hard, but with His warning came a promise as well: "Remain in Me and I will remain in you." What a blessing!
